Unique Golf Travel Product Distribution Channel.

GolfAhoy chose to forgo the traditional 'travel agency' tourism product distribution system to sell golf trips in favor of establishing an international network of independently operated sales and marketing offices owned by golfers trained to market and sell golf travel. GolfAhoy Ambassadors earn the highest sales commissions in the industry. You don't have to play golf to be a successful GolfAhoy Ambassador. Only one in three GolfAhoy Ambassadors claims to be a low handicap golfer! We want personality people to join our network who we can train to follow our successful golf travel sales systems.

The next time you and your golf travel companions sign up to accompany a group golf trip at your club; a place of business; alumni association; friends or family reunion or for a non-profit fundraiser; or perhaps you win a hole-in-one 'all expense paid golf cruise prize with a value of \$11,000' at the next golf tournament you participate in, chances are increasingly likely that a skilled GolfAhoy Ambassador had a guiding hand in the sales and marketing process in selecting your trip or hole-in-one prize from one of the 5,000 packaged golf tours that GolfAhoy Ambassadors are trained to deliver.

If you have strong interpersonal skills and an enthusiastic business ethic GolfAhoy can show you how to create a six figure annual income stream with reliable year after year repeat business right from the comfort of your home based office.
